

Professional Endorsements and Testimonials for Culture of Success

“This book will help transform your workplace...I have personally benefited my organization for many years through the acceptance and application of the philosophies and techniques presented within the text of this blueprint for a successful work environment. Dr. Charles Dygert is my coach and mentor. I thank him for helping shape my management style in such a way that I too have become a truly effective coach and leader.”

—**Charles Hossom, Vice President and General Manager
Dayton Rogers of Ohio, Inc.**

“If you are interested in building a high powered, engaged organization, *Creating a Culture of Success* will light the way in a convenient and straightforward manner.”

—**Daniel Toussant, Director of Human Resources
Rea Associates, Inc.**

“*Creating a Culture of Success* is a practical, no-nonsense approach to common sense leadership.”

—**Jackie Hammonds, Retired
Honda of America Manufacturing, Inc.**

“Thoughtful advice from two experienced practitioners.”

—**Dr. Raymond Forbes, Professor
Graduate School, Franklin University**

“A great book for the whole management team.”

—**James F. Hopkins, President/CEO
Hopkins Printing**

“This book helped me clarify and codify my own beliefs about culture change and its effect on people.”

—**Paul Greenland, President
Aetna Building Maintenance**

“The book that influenced us the most in building our business was *Culture of Success* by Charles B. Dygert, Ph. D. and Richard A. Jacobs, P.E.”

—**Joseph Dager, President and
Michael Dager, Vice President
Velvet Ice Cream Company**
