## Early acclaim for One Incredible Dog! Lady

“As a reading teacher at a Brooklyn elementary school, I look for quality books that stand out from the rest. The font size, the page layout and the use of color inside makes this book ideal for my purposes. The children will love reading it, and the pictures, so well done!”

— Sue Kelly

“As a veterinarian and mother, I loved this book. Lady certainly is One Incredible Dog! Children of all ages will adore this book, and it serves to educate people on the emotional benefits of pet therapy.”

— Dr. Kimberly Brown, Veterinarian

“What a heart-warming story! I couldn’t wait to share it with my niece. We both volunteer at the humane society and often see the results of mistreated animals. So good to see a dog who was rescued from the side of the road achieve so much.”

— Barbara Taylor, Humane Society Volunteer
