

# Reviews & Testimonials

As we wait for published reviews to come in, here are some early comments from independent sources on Dygert's books:

[Dygert's book provides] *a practical, no-nonsense approach to common sense leadership.*"

-Jackie Hammonds retired executive from Honda of America Manufacturing.

*If you are interested in building a high powered, engaged organization, [this book] will light the way in a convenient and straightforward manner.*

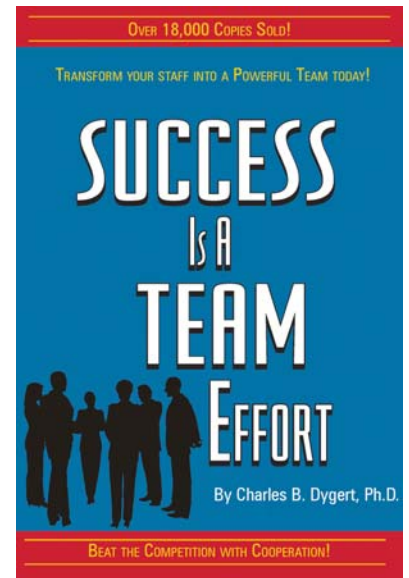

-Daniel Toussant, Director of Human Resources at Rea Associates, Inc.

*This book will help and transform your workplace....I have personally benefited my organization for many years through the acceptance and application of the philosophies and techniques presented within the text of this blueprint for a successful work environment Dr. Charles Dygert is my coach and mentor. I thank him for helping shape my management style in such a way that I too have become a truly effective coach and leader.*

-Charles Hossom, Vice President and General manager Dayton Rogers of Ohio, Inc.

*A great book for the whole management team.*

-James F. Hopkins, president/CEO, Hopkins Printing
